A MESSAGE FROM THE MAYOR

The strength of a great city lies in its citizens. Tulsa is fortunate to have the Tulsa Junior Chamber (Jaycees) working hard to provide benefits to Tulsa, while giving young adults an opportunity to be actively involved in the civic affairs of our city.

The Tulsa Jaycees are one of the founding chapters that began in 1919. The Tulsa Jaycees efforts to improve our community have been continuous throughout the years. Some of the activities the Tulsa Jaycees are involved in include providing school clothes for underprivileged children, raising funds to grant wishes to terminally ill children, and working with the Salvation Army to help feed the homeless. The Tulsa Jaycees also install air conditioners in the homes of the less fortunate during the summer, provide food and gifts for disadvantaged families during the holiday seasons, and direct the Downtown Tulsa Christmas Parade.

The dedicated efforts of the Tulsa Jaycees should serve as an inspiration for other civic groups to make deep and lasting commitments to our community. I urge Tulsa businesses to support this outstanding organization. I also urge our young adults to join the Tulsa Jaycees and to become actively involved in the Tulsa Jaycees commendable projects.

Sincerely,

A handwritten signature in cursive script that reads "Bill LaFortune".
